### GABBIE PARTIES IN HOTLANTA Gabbie sets the Atlanta nightlife on fire.

Minneapolis, MN, July 11, 2007 -- Globe trotting starlet Gabrielle Britt, better known to the entertainment industry as Gabbie, recently returned from Atlanta, GA (July 3-9). Gabbie, a member of the Lady's of Soul, traveled to Atlanta with the intention of introducing herself to Atlanta's hot nightlife. In a city well known for stars such as TI, Usher, and Outkast, Gabbie made her mark.

This was the first of such trip for Gabbie and turned out to be very successful. "I have always loved to be the life of the party I and love that I can bring new energy into a room. It was so wild! I had a blast!" shares Gabbie. "Atlanta was off the chain and I will be back to kick it again." From hanging out with stars such as actress Sanaa Lathan, to various NFL players, to one of Atlanta's hottest DJ's, Gabbie was in her element. "Being able to showcase in some of Atlanta's #1 spots was phenomenal. Not only did I party like a rock star until it was so late it was early, I got to broadcast live on the Uncle D Morning Show from Verve Lounge."

Escorted by rapper AFRO-PREACHAH, and flanked with her own personal photographer, Gabbie was embraced by photo-snapping fans and club goers. But far be it from Gabbie to let that stop her from dancing the night away. The party girl in her came out with a vengeance as she reportedly took over the dance floor "dancing seductively" and singing along to her favorite hits. "Gabbie is lots of fun," a clubgoer reportedly told Uncle D. "She was dancing and talking with everyone, drinking, singing along to songs, and even got on the mic a few times."

"I want my career as a model to be more then just taking pretty pictures." shares Gabbie as she breaks it down. "I want to meet and greet all of my pre, post, and potential fans, friends, and just cool people. That is what made my trip to Atlanta so much fun! I am so excited about traveling to places where people want to meet me, work with me, and make stuff happen. That's what's up!"

Continuing on her schedule, Gabbie is on her way to Milwaukee, WI from July 13-15 to shoot for Picture Dis DVD Vol. 1, and then again on July 19-22 to shoot for Stunner Baby Magazine, and then hits Tampa/Orlando, Florida from August 9-12 for various shoots and a little bit of the nightlife. Dates for New York, Houston, and Los Angeles are also in the works.

Gabbie is a rising star who is soon to grace the pages and covers of popular magazines and your television set. To learn more about her and her career, please visit [www.lovegabbie.com](http://www.lovegabbie.com) and [www.myspace.com/lovegabbie](http://www.myspace.com/lovegabbie).
